

▼ Work Bench Tools

Pin Vice

Handy pin vice with two sets of double ended chucks. perfect for very fine work where an electric drill will be to forceful. Especially good for working with ABS case panels and prototyping board. 1,2,3 and 3.5mm chucks. Suits any drill bit from 0.1mm to 3.5mm.

Price Each	RRP	4+	10+
T 2335	12.00	10.80	9.75

3mm PCB Drill Chuck

Keyless chuck for PCB drill bits up to 3mm. Suits power drill or screwdriver.

Price Each	RRP	4+	10+
T 2305	7.95	7.50	6.70

PCB Drill Bits

High speed tungsten carbide drill bits with thickened shaft for reduced flex. Ideal for drilling PCBs and project enclosures.

Price Each	RRP	4+	10+
T 2320A 0.8mm	4.95	4.50	4.00
T 2321A 1mm	4.95	4.50	4.00
T 2322A 1.2mm	4.95	4.50	4.00
T 2323A 1.5mm	5.95	5.65	5.25

Step Drill Bits

9 step drill bits allow you to drill different sized holes in plastic, wood or metal without changing drill bits.

Price Each	RRP	2+	4+
T 2332 4-12mm	19.95	17.95	15.95
T 2333 4-20mm	34.95	32.70	30.75

Tapered Reamer

Perfect for increasing hole sizes or deburring in plastic, wood or metals. 13mm max hole size.

Price Each	RRP	3+	6+
T 2372	15.50	14.25	13.35

Automatic Centre Punch

Produces a neat indent into steel, aluminium or plastic panels to locate a drill bit. Stops the drill from wandering, causing unsightly scratches.

Price Each	RRP	4+	10+
T 2340	18.50	16.90	15.90

75mm Ball Joint Mini Vice

Manufactured from diecast alloy. Clamps to any bench surface up to 53mm thick. Jaws open to 55 mm. Vice mount can be angled up to 45° in a 360° arc. Also for added flexibility the vice can be locked into a 90° position. Includes soft jaws for holding delicate connectors. Just like an extra pair of hands!

Price Each	RRP	4+	10+
T 2367	50.00	46.00	44.00

Needle File Set

Kit includes flat, square, two triangular and a half round file. Ideal for PCBs, chassis mods, etc.

Price Each	RRP	4+	10+
T 2352	14.95	14.20	13.50

4 Piece Hook & Scribe Set

Stainless steel scribing tool set for marking plastic panels, removing spring washers etc.

Price Each	RRP	4+	10+
T 2350	11.80	10.95	10.20

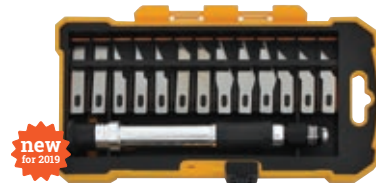

Scalpel Cutting Knife

Ideal for cutting precisely. Uses standard hobby blades. 145 x 80mm.

Price Each	RRP	2+	4+
T 1487	6.95	6.30	5.60
T 1488 Spare Blades 10pk	5.95	5.40	4.80

14 Piece Hobbyist Knife Kit

Includes aluminium handle with 13 blades to suit different cutting jobs. Includes plastic carry case.

Price Each	RRP	2+	4+
T 1489	16.95	15.50	13.75

Box Cutter Knife

A toolbox essential. Uses standard utility knife blades. Diecast body and retractable blade.

Price Each	RRP	2+	4+
T 1485	9.95	9.00	8.00

Component Leg Bending Tool

Enables accurate bending of axial leaded components in preparation for PCB loading. Five bending widths: 7.5, 10, 12.5, 15, 17.5mm. A real time saver when building kits or prototypes.

Price Each	RRP	4+	10+
T 1495	3.15	2.95	2.75

Rare Earth Magnets

T 1464 T 1465 T 1466

Rare earth magnets for fixing to projects. T 1464 features a 4.5mm central mounting hole. T 1466 are 10mmØ and are sold in a pack of 4pcs.

Price Each	RRP	4+	6+
T 1464 25Øx5 C/Sunk	10.95	9.85	8.75
T 1465 25Øx5	9.95	8.85	7.75
T 1466 10Øx3 Pk 4	7.95	7.15	6.35

▼ Glues & Pastes

Chemtools® Silicone Potting Compound

A two part silicone compound formulated for potting applications. Offers excellent protection against impact damage and completely encapsulates for weather and humidity resistance. Easy 1:1 mix ratio.

Price Each		RRP	4+
H 1620 200gm		28.95	27.75
H 1621 1kg		119.00	112.00

Chemtools® Heatsink Compound

ROHS

Aids heat transfer from devices to heatsinks.

Price Each	RRP	4+	10+
H 1600A 10g Syringe	3.60	3.10	2.90
H 1610A 150g Tube	21.95	20.00	18.00
H 1615A 25ml Syringe	10.45	9.40	8.35
