

## ▼ Servicing Sprays

**Non-Flammable Dust Off**

Pure, high pressure air for removing dust and airborne contaminants from delicate equipment. Non-flammable type. 400ml.

Price Each	RRP	4+	12+
T 3098	16.50	15.95	15.30

**Freezer Spray**

An ozone-safe, non-corrosive, non-flammable freezing spray. Useful for rapid detection of temperature dependent circuit faults, testing thermal sensors, or locating dry joints on PCBs. Non-flammable type. 300g.

Price Each	RRP	4+	12+
T 3084A	21.95	20.75	19.65

**Circuit Board Lacquer**

A premium coating for protecting circuit boards from humidity etc. It has excellent insulating properties and is suited to Australian conditions. It contains a solder flux medium to allow soldering of the board once lacquered. Can be removed with T 3069 board cleaner.

Price Each	RRP	4+	12+
T 3086 250ml aerosol	11.50	10.35	8.95
T 3087A 1L container	49.95	45.00	

**Contact Cleaner**

Ideal for cleaning all non-arcng contacts, edge connectors and switch mechanisms. Safe on most plastics. Fantastic for use on noisy potentiometers. Equivalent to CRC® 2016. 350g.

Price Each	RRP	4+	12+
T 3160	15.95	14.95	14.00

**Contact Cleaner & Lube**

Ideal for cleaning and lubricating all non-arcng contacts, edge connectors and switch mechanisms. Safe on most plastics. Fantastic for use on noisy potentiometers. 250ml, 175g.

Price Each	RRP	4+	12+
T 3061	11.00	9.95	8.95

**Moisture Repellent/Lube**

Moisture displacing fluid penetrates & lubricates all mechanical & electrical equipment. Protects against high humidity. Conforms to MIL-C-161730 Grade 3 & ASTM-D-1748 humidity cabinet (26 days). 250ml 175g.

Price Each	RRP	4+	12+
T 3041	9.95	9.10	8.50

**Silicon Grease Compound**

General purpose silicon spray for lubrication and preservation. Ideal for restoring worn rubber parts. Also provides lubrication for moving parts such as plastic gears. Excellent moisture repellent qualities. Two way spray nozzle. 300g.

Price Each	RRP	4+
T 3120	11.95	10.95

**White Lithium Grease**

A long lasting heavy duty lubricant designed for bearings, sliding mechanisms, battery terminals, chains, gears and other moving parts. Sets dry for a thick coating. Reduces friction while protecting against corrosion. 300g.

Price Each	RRP	4+
T 3122	11.95	10.95

**Chemtools® Label Remover**

Penetrates quickly and dissolves today's high-strength adhesives, glues, and gums. Can also be used to remove grease, oil, gum, crayon and tar-like residues. Pleasant citrus fragrance. 300gm aerosol.

Price Each	RRP	4+	12+
T 3177	14.50	13.50	12.95

**Electronic Cleaning Solvent**

Ideal for cleaning delicate electronic/ electrical assemblies, video and tape heads etc. Will not affect paints, plastics, or component markings. T 3150 features adjustable fine spray tube nozzle.

Price Each	RRP	4+	12+
T 3066 250ml aerosol	10.95	9.95	8.95
T 3150 350ml aerosol	16.95	15.95	15.25

**Circuit Board Cleaner**

A premium blend of solvents for general purpose cleaning of circuit boards. Will remove oils, grease, dirt and most resin based fluxes. T 3155 aerosol features adjustable fine spray tube nozzle.

T 3069

Price Each	RRP	4+	12+
T 3069 250ml aerosol	10.95	9.95	8.95
T 3155 420ml aerosol	18.95	17.95	16.95
T 3070A 1L container	29.95	27.50	
T 3071A 2L container	52.00	48.00	

**Deox-It® F5 Fader Spray**

Precision lubricant ideal for conductive plastics and carbon-based controls (faders, slide potentiometers, conductive membranes - mouse pads and other mechanisms with sliding surfaces). 142g spray can

Price Each	RRP
T 3062	44.95

**Deox-It® D5 Spray**

A must have for the service technician. Made in the USA. This amazing spray improves connectivity, de-oxidises, cleans and preserves contacts, reduces intermittent connections, reduces arcing and RFI. 142g spray can.

Price Each	RRP
T 3063	38.50

**Deox R44 Spray**

A must have for service technicians. This amazing spray improves conductivity, de-oxidises, cleans and preserves contacts, reduces intermittent connections. Lubricates, seals and protects against moisture and corrosion. 300gm spray bottle

Price Each	RRP	4+	12+
T 3163	14.95	13.50	11.90

**Chemtools® Flux Remover**

Ideal for cleaning flux residue from recently soldered PCB's and components. Suitable for use with leaded and lead-free soldering processes. Formulated to clean rosin, non-rosin, no clean fluxes. Evaporates quickly leaving no residue. 300gm aerosol.

Price Each	RRP	4+	12+
T 3140	17.95	16.95	15.95
