▼ HDMI Switchers

HDMI V2.0 4K Switchers With Remote Control

Switch between up to 5 AV sources with these professional 4K ready HDMI switchers. Each includes an IR remote control and receiver unit, which allows the switcher to be mounted behind the TV or inside a cabinet. Supports 12-bit deep colour, 6.0Gbps high speed, full UltraHD 4K. Maximum distance between TV and HDMI source ≈25m. Requires USB power supply (from TV, amplifier or external source)

Price Each	RRP	3+	6+
A 3087C 3 input, 1 output	53.95	48.55	43.15
A 3089A 5 input, 1 output	69.95	62.95	55.95

HDMI V2.1 8K Switchers With Remote Control

Offering 8K @ 60Hz resolution switching, these HDMI source selectors are ready for the latest high resolution AV sources. 2 Way model switches using button on the front panel, while the 4 way version also includes an IR remote control. A 3104 is USB powered (cable included), A 3105 includes external power supply. HDMI 2.1 compliant. HDCP 2.3. 48Gbps bandwidth.

Price Each	RRP	2+	4+
A 3104 2 input, 1 output	79.95	71.95	63.95
A 3105 4 input, 1 output	154.00	138.00	123.00

4 Way HDMI Switcher

This compact 4-way HDMI switcher features manual & infra-red remote control for switching up to 4 sources to a single display supporting resolutions up to 4K/2K @ 60Hz. Ideal for home theatres, showrooms, boardrooms & lecture theatres. Digital audio signals can be split from the HDMI signal with dedicated S/PDIF and coaxial outputs. The ARC function allows the audio from the selected display to be sent to the digital and 3.5mm jack outputs provided. HDMI 2.0. HDCP 2.2 compliant. Includes power supply & remote control. Size: 211L x 66W x 26H mm.

Price Each	RRP	2+	4+
A 3081F 4 input, 1 output	195.00	179.00	159.00

4x1 HDMI Multiviewer Seamless UHD 4K Video Switcher

Display multiple 4K HDMI sources on a single display in multiple layouts.

This product is designed for the purpose of connecting four 4K @ 60Hz UHD HDMI sources, and displaying each on a single display. The screen layout and input selection is managed using the front panel switches, the infra-red remote control or RS-232 commands (via third party control software). The in-built extractor splits the audio signal into S/PDIF digital and stereo RCA outputs for simple connection to existing audio systems. Suitable for use within a variety of commercial AV monitoring systems.

Price Each	RRP	2+	4+
A 3247 4 Input, 4 output	589.00	530.00	471.00

4 Way HDMI 4K Switcher With Extractor & RS-232

This 4-way HDMI switcher features manual, RS-232 & infra-red remote control for switching up to 4 sources to a single display supporting resolutions up to 4k 60Hz. Ideal for home theatres, showrooms, boardrooms & lecture theatres. Analog and digital audio signals can be split from the HDMI signal. Audio EDID is selectable to 2.0, 5.1 and 7.1 modes. ARC function allows the audio from the selected display to be sent to the outputs provided. Automatically switches to last used input on power up. Includes power supply & remote control.
