

# Half Rack Mounting Assembly

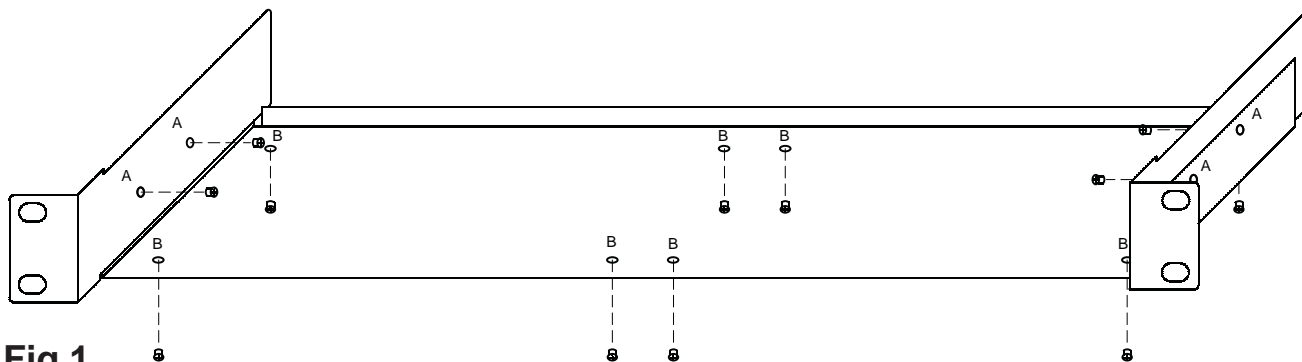

Part No: **H 4990**

## Parts List

12 x M3 x 6mm screws  
2 x Side ear panels  
1 x Centre tray

### Assembly steps:

1. Screw ears to centre tray (screws marked as "A" on Fig 1.), ensuring the ears are **INSIDE** the upturned lip on the tray.
2. Remove rubber feet from any half rack equipment you wish to install in the tray.
3. Attach the equipment to the centre tray by use of the screws marked as "B" on the Fig 1.
4. Install the fully assembled unit into your rack frame with the appropriate captive nuts and M6 screws. (Not supplied)

**Fig 1.**
